Sample report

This two-page report is a sample file for trying Docist. Merge it with the note and the chart that come with it, or drop in files of your own. Every name and number here is made up.

Summary

Output grew in each quarter but the third, ending the year at its highest level. The chart file shows the same figures.

Figures by quarter

Quarter	Units
Q1	42
Q2	57
Q3	49
Q4	68

Notes

The figures are placeholders, chosen only to give the chart a shape.
